Launched

“Roll Pennies for Pages”

NLLLC needs your pennies!

Did you know that it cost 2500 pennies to buy ONE workbook which will help ONE person improve their literacy skills?

Do you have pennies lying around the house and you don't know what to do with them?

Call Sherry at **709-634-1441** for further information! Or fill out the attached registration form. Once you are registered a **“Roll Pennies for Pages”** tool kit will be sent to you.

We will make a donation of 10% of the total funds raised in this campaign to a participating school for literacy initiatives based on per capita donation. We invite individuals and businesses to participate, and they can donate their pennies in the name of a registered school to increase the school's penny account. Registration deadline: March 30, 2011

NLLLC is a provincial, charitable, volunteer organization committed to raising the literacy level of Newfoundland society. Our trained tutors are provided with all of the instruction materials, student workbooks and other tools to work with people to improve their basic functional skills in reading, writing, speaking, listening, numeracy and other skills. Depending on the literacy level and needs of the learners, supplies may cost anywhere between \$25 to \$500 per student. Please donate your pennies to help us buy the materials and supplies needed for our one-on-one literacy tutoring program.
